SUMMARY
This program is designed for family physicians as well as nurse practitioners, physician assistants, and other primary care physicians who practice in a variety of settings including hospitals, nursing homes, and offices.

OBJECTIVES
The WRC will:

• Provide an outstanding array of clinical updates for primary care providers in areas of general preventive and adult medicine, pediatrics, geriatrics, psychiatry and women’s health
• Highlight the valuable connections between the Wisconsin Academy of Family Physicians and primary care clinicians in shaping the future of Family Medicine
• Present evidence-based updates designed to improve primary care practice systems and policies
• Practice hands on skill development in a variety of optional workshops
• Develop interprofessional peer relationships for collaboration and networking

EXHIBITORS
If you would like to exhibit at the Winter Refresher Course please contact Karen Krause at 414-955-8696 or kkrause@mcw.edu. The Medical College of Wisconsin, Department of Family & Community Medicine appreciates the support provided by our exhibitors.

ACREDITATION
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Medical College of Wisconsin designates this live activity for a maximum of 16.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Medical College of Wisconsin designates this activity for up to 16.75 hours of participation for continuing education for allied health professionals.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
