PO Box 26509  
Milwaukee, WI 53226-0509

## PLEASE REGISTER ONLINE IN A FEW STEPS

### REGISTRATION

The Medical College of Wisconsin has new registration software called *EthosCE* that will allow you to enroll in any offered CME course, pay online, and manage your CME credits. Participants who did not attend in the past will need to create a “new user account” before registering for a session. Returning participants can simply log into their existing accounts to register. Please follow the detailed directions below and contact Ginny Wiatrowski at 414-777-7661 with any questions or concerns.

### CREATING A NEW USER ACCOUNT

Log in to [ocpe.mcw.edu](http://ocpe.mcw.edu),

Select **Register** in the upper right hand corner and enter all the required information.

**Please note:** You will need to access this account again to complete your session evaluation and print your CME certificate, so please make a note of your user name and password. The deadline for claiming credit is December 29, 2017. Credit claimed after the deadline will be subject to a \$25.00 late fee.

### REGISTER AND PAY FOR A SESSION

Log in to your newly created or exiting Ethos account

Select **Learning Groups**  
**Endocrinology**

Select **2017 Clinical Update in Endocrinology**  
**Add to cart**

Click **Checkout to pay**

If paying by check, please register in Ethos first and make check payable to: Medical College of Wisconsin

**Mail to:** Ginny Wiatrowski  
North Hills Health Center – Endocrinology Clinic  
W129 N7055 Northfield Dr., Bldg A, #203  
Menomonee Falls, WI 53051

### REGISTRATION FEES

Physicians	\$225
Advanced practice providers / nurses	\$150
Trainees	\$50

This fee includes flash drive of lectures, breakfast, and lunch, and CME certificate.  
There is an additional \$25.00 fee for hard copy of syllabus.

### REFUND POLICY

Registration is refundable (less \$25.00 processing fee) only if cancellation is received in writing prior to Wednesday, October 27, 2017.

## PROGRAM INFORMATION

**Clinical Update in Endocrinology Symposium** will be held on Friday, November 3, 7:00 a.m. – 4:30 p.m., and Saturday, November 4, 2017, 7:00 a.m. – 11:40 a.m. The symposium is presented by Endocrinology Center and Clinics Froedtert & Medical College of Wisconsin Community Physicians and will be held at the Sheraton Milwaukee Brookfield Hotel.

## EDUCATIONAL OBJECTIVES:

The learner will be educated about:

- Current management of diabetes with a goal of improving diabetes care metrics without producing harm. Use the ever-expanding group of medications properly.
- The management of obesity with a goal of decreasing the complications of this difficult problem. Be able to identify when drugs or surgery are used in addition to lifestyle changes.
- The detection and management of androgen abuse with a goal of preventing this from harming their patients. Be able to list the clues to this condition.
- The management and prevention of osteoporosis, other calcium and bone problems with the goal of treating the correct patients and avoiding over-treatment or inappropriate treatment that may lead to harm. Be able to list who should be treated for osteoporosis.
- The management of adrenal nodules which are frequently inappropriately ignored. The goal is to properly evaluate those that needed evaluation to avoid harm related to ignoring the nodule. Be able to list the evaluation of an adrenal nodule.
- Evaluation of low testosterone levels with a goal of identifying true male hypogonadism with appropriate treatment and avoiding the inappropriate and possibly harmful treatment in men who should not be treated. Be able to understand the risks and benefits of testosterone treatment.
- The diagnosis and management of polycystic ovary syndrome. The goal is to optimize management of these patients. List the management options for this condition.

## ADA STATEMENT

Children's Hospital and Health System and The Medical College of Wisconsin fully intend to comply with the legal requirements of the Americans with Disabilities Act. If any participant of the conference is in need of accommodation, please call (414) 777-7661.
