SYLLABUS

In an effort to be more environmentally responsible, the Department of Pathology will no longer automatically print a syllabus for each attendee. A digital syllabus will be available to all conference registrants through the MCW Pathology website prior to the conference. For those who would like a printed syllabus please be sure to select the printed syllabus option prior to checkout and note that a $35 fee applies. All printed syllabi will be available upon check in at the conference. Please note that presenters are asked to submit their syllabus materials two weeks prior to the conference. Should any information change after this time, you will be notified with updates via email after the conference. Additionally, the digital version of the syllabus will be updated on the website to incorporate any changes.

PROGRAM INFORMATION
The Medical College of Wisconsin, Department of Pathology
10th Annual Midwestern Conference: Update Course in Surgical Pathology
Friday, September 15 – Sunday, September 17, 2017
Hilton Milwaukee City Center
509 W. Wisconsin Avenue, Milwaukee, WI 53203

TARGET AUDIENCE
This course is applicable to practicing surgical pathologists, surgeons, oncologists and pathologists-in-training. Healthcare professionals who work in other areas of research and surgical pathology will also find this course beneficial.

COURSE OVERVIEW
This three-day course has been designed to provide a comprehensive and practical update of diagnostic surgical pathology. It is primarily designed to enhance the knowledge of practicing surgical pathologists, particularly those involved in community practice. This activity will include lectures containing the latest in research and diagnosis, and complex surgical pathology cases, each session providing time for questions and answers. Case presentations are selected to highlight unusual presentations of rare and common conditions, to demonstrate key points in diagnosis and potential pitfalls, and will emphasize application of evidence-based medicine and up-to-date references.

EDUCATIONAL METHOD
Instructional techniques will include didactic lectures and case-based discussions. Learners will have an opportunity to interact with faculty and ask questions relevant to their own practice and learning needs.

ACCME ACCREDITATION
The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION
The Medical College of Wisconsin designates this live activity for a maximum of 19.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

HOURS OF PARTICIPATION FOR ALLIED HEALTH PROFESSIONALS
The Medical College of Wisconsin designates this activity for up to 19.5 hours of participation for continuing education for allied health professionals.

SELF-ASSESSMENT MODULES (SAMs)
The Medical College of Wisconsin is a provider for Self-Assessment Modules as defined by the American Board of Pathology, and has designated this educational activity for a maximum of 11.5 SAM credits.

DISCLOSURE AND DISCLAIMER DECLARATIONS
The Medical College of Wisconsin Office of Continuing and Professional Education (OCPE) and the Department of Pathology require that individuals involved with the course content including directing, planning, coordinating and/or presenting at an accredited activity disclose all relevant financial relationships with commercial interests prior to the start of the activity. Mechanisms are in place to identify and resolve any potential or actual conflicts of interest before the activity. Relevant financial relationships will be listed in the course syllabus.

Determination of educational content for this program and the selection of speakers were the sole responsibility of the planning committee. While unlikely, agendas and presenters are subject to change due to unforeseen circumstances.
