Audience Response System

Bring a smartphone, tablet or laptop to participate in our audience response system. Feedback will be shown in real-time on speakers slides.

Detailed lecture information

To view detailed lecture information including speaker title and objectives, visit chw.org/bestpractices.

Overview

This conference will provide the latest information about common problems encountered in pediatric practice and will benefit all health care providers who work with children including pediatricians, family practice physicians, nurse practitioners and physician assistants.

Fees and registration

Registration fees are discounted if paid before Feb. 7.

\$125 if registered before Dec. 13*

Friday only: \$55.00 Saturday only: \$70.00

\$135 if registered before Feb. 7*

Friday only: \$60.00 Saturday only: \$75.00

\$160 if registered after Feb. 7*

Friday only: \$70.00 Saturday only: \$90.00

*Additional fee for workshops.

For those not claiming credit there is no cost to attend.

The Medical College of Wisconsin and Children's Hospital of Wisconsin providers are not required to pay to earn credit.

A small fee is associated with each workshop, regardless of registration type, to help cover the cost of materials.
