PROGRAM INFORMATION

The Medical College of Wisconsin, Department of Pathology
12th Annual Midwestern Conference: Update Course in Diagnostic Pathology
 Friday, October 4 – Sunday, October 6, 2019
 Saint Kate The Arts Hotel
 139 East Kilbourn Avenue, Milwaukee, WI 53202

TARGET AUDIENCE

This course is applicable to practicing surgical pathologists, surgeons, oncologists and pathologists-in-training. Healthcare professionals who work in other areas of research and diagnostic surgical pathology will also find this course beneficial.

COURSE OVERVIEW

This three-day course has been designed to provide a comprehensive and practical update of diagnostic surgical pathology, with a special focus on women's health pathology. It is primarily designed to enhance the knowledge of practicing surgical pathologists, particularly those involved in community practice. The activity will include lectures containing the latest in research and diagnosis, and complex surgical pathology cases, each session providing time for questions and answers. Case presentations are selected to highlight unusual presentations of rare and common conditions, to demonstrate key points in diagnosis and potential pitfalls, and will emphasize application of evidence-based medicine and up-to-date references.

FIRESIDE CHAT (OPTIONAL BONUS SESSION)

Join course Co-Director, Dr. Juan Felix for an intimate interview-style session with Dr. Debra Bell as they discuss pathology issues specific to women. Audience questions and interaction will be encouraged. Light refreshments will be provided. *Seating is limited!* (Separate sign-up and fee apply.)

COURSE OBJECTIVES

Upon completion of this activity, the participant will be able to:

- Evaluate current criteria for diagnosis in various subspecialty areas in diagnostic pathology
- Discuss the proper application of immunohistochemical and other special studies in problematic cases
- Explain advances in terminology and classification of neoplastic and non-neoplastic disorders

EDUCATIONAL METHOD

Instructional techniques will include didactic lectures with visual supports and case-based discussions. Learners will have an opportunity to interact via an audience response system, as well as participate in question and answer sessions to address issues relevant to their own practice and learning needs.

SAM quizzes will be available to participants online through MCW's Ethos learning management system following the conference. Participants who would like to earn SAM MOC Credit must complete and pass the quizzes as well as provide DOB (month and day), NPI# and Board ID# by November 4, 2019 to be credit eligible. Individual participant's information will be shared with ABPath through the ACCME Program and Activity Reporting System (PARS).

ACCME ACCREDITATION STATEMENT

The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION

The Medical College of Wisconsin designates this Live Activity for a maximum of 21.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
