

“A Medley of Retina with a Twist of Uveitis” Saturday, February 12, 2022 Virtual Event

PROGRAM INFORMATION

TARGET AUDIENCE

This educational activity is aimed at practicing ophthalmologists, subspecialty ophthalmologists, fellows, residents, optometrists, medical students, graduate students, postdoctoral fellows, vision scientists and retina photographers.

LEARNING OBJECTIVES

- Discuss the use of systemic and local treatments in the management of chronic uveitis, novel treatments of uveitis, and the use of imaging and other modalities to follow patients with chronic uveitis.
- Discuss the manifestations of pathologic myopia, including myopic traction maculopathy.
- Review current and novel treatment in age-related macular degeneration.
- Review clinical features suggestive for intraocular lymphoma.
- Discuss recent advances in genetics-based clinical trials for CXLRS.
- Describe considerations and factors when advising patients about visually significant vitreous opacities.

ACCME ACCREDITATION STATEMENT

The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

The Medical College of Wisconsin designates this Live Activity for a maximum of *4.25 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

OEB CREDIT DESIGNATION STATEMENT

This program is pending approval for CE credit through the Optometry Examining Board of the Wisconsin Department of Safety and Professional Services.

HOURS OF PARTICIPATION FOR ALLIED HEALTH CARE PROFESSIONALS

The Medical College of Wisconsin designates this activity for up to 4.25 hours of participation for continuing education for allied health professionals.

Please Register Online

Online registration is required for evaluation and receiving credit. There are no fees for this event.

REGISTRATION:

Log in at ocpe.mcw.edu/ophthalmology . If you do not have an Ethos account, click “Login” in the upper right corner. Once your account is created, select 39th Annual Midwinter Retina Symposium under “Featured Courses,” register and follow the prompts. You will also need to [register for the event on Zoom](#).

INVITED SPEAKERS

2022 Gary W. Abrams Endowed Lectureship
Sunil Srivastava, MD
Staff Physician
Director of Vitreoretinal Fellowships
Cole Eye Institute, Cleveland Clinic

Eileen Hwang, MD, PhD
Assistant Professor
Adult and Pediatric Retina Specialist
Moran Eye Center, University of Utah

MCW Eye Institute Faculty

Program Director
Baseer U. Ahmad, MD
Assistant Professor of Ophthalmology
and Visual Sciences

Thomas B. Connor, Jr., MD
Professor of Ophthalmology and Visual
Sciences and Director of the Vitreoretinal
Fellowship Program

Joon-Bom Kim, MD
Assistant Professor of Ophthalmology
and Visual Sciences

Judy E. Kim, MD
Professor of Ophthalmology and
Visual Sciences

Clinton C. Warren, MD
Assistant Professor of Ophthalmology
and Visual Sciences

David V. Weinberg, MD
Professor of Ophthalmology and
Visual Sciences

William J. Wirostko, MD
Professor of Ophthalmology and
Visual Sciences

Agenda

8:00–8:05 a.m.

Introduction and Welcome
Baseer U. Ahmad, MD

8:05–8:25 a.m.

New Treatment Options for AMD
Judy E. Kim, MD

8:25–8:45 a.m.

**An Update on Congenital X-linked
Retinoschisis**
Clinton C. Warren, MD

8:45–9:05 a.m.

**Visually Significant Vitreous
Opacities: Thoughts & Management**
Baseer U. Ahmad, MD

9:05–9:10 a.m.

**Gary W. Abrams Lectureship
Introduction**
Thomas B. Connor, Jr., MD

9:10–9:40 a.m.

**5th Annual Gary W. Abrams Endowed
Lecture: Treatment of Uveitis in 2022
- When to treat, How to Treat and How
to Follow to Maximize Outcomes**
Sunil Srivastava, MD

9:40–9:55 a.m.

Break

9:55–10:25 a.m.

**I Can Now Breathe Easier: A Case of
Unilateral Panuveitis After a COVID
Infection**
Joon-Bom Kim, MD

10:25–10:45 a.m.

**Helpful Hints for Diagnosing
Intraocular Lymphoma**
William J. Wirostko, MD

10:45–11:15 a.m.

**The Upcoming Epidemic of Vision
Loss Due to Pathologic Myopia**
Eileen Hwang, MD, PhD

11:15–11:35 a.m.

**Mimics of Age-Related Macular
Degeneration Surgery**
David V. Weinberg, MD

11:35–11:55 a.m.

**“What the?!” – A Strategic Approach
to Retinal Degenerations and
Dystrophies**
Thomas B. Connor, Jr., MD

11:55 a.m.–12:25 p.m.

**Case Presentation and
Panel Discussion**

12:25–12:30 p.m.

Closing Remarks and Adjourn
Baseer U. Ahmad, MD
