

THE 2024
**SOLID ORGAN
TRANSPLANT SYMPOSIUM**

**Access and Innovation in Kidney
& Pancreas Transplantation**

**Debates and Dilemmas in
Liver Disease Practice**

Saturday, April 13, 2024 | 8:00 AM - 4:00 PM

Renaissance Milwaukee West Hotel

2300 N Mayfair Rd, Wauwatosa, WI 53226

Continuing Medical Education &
Continuing Education credits offered

Program Information

GENERAL INFORMATION

The Medical College of Wisconsin 2024 Solid Organ Transplant Symposium will be held on April 13, 2024, at the Renaissance Milwaukee West Hotel, located at 2300 N. Mayfair Road, Wauwatosa, WI 53226.

PARKING: Complimentary garage or surface lot parking is available at the Renaissance Milwaukee West Hotel. Valet parking is not available.

TARGET AUDIENCE: Gastroenterologists, nephrologists, advanced practice providers, nurses, social workers, dietitians, dialysis technicians

PURPOSE: This educational activity is designed with two parallel tracks for a diverse audience. The symposium will highlight best practices, access, and innovation in pancreas and kidney transplantation, and contemporary issues in liver disease management, to include hepatocellular carcinoma (HCC), liver failure, and acute alcoholic hepatitis (AAH). Invited speakers include distinguished academic providers who can provide up-to-date summaries of the topics.

EDUCATIONAL OBJECTIVES: Upon completion of the course, attendees will be able to:

- Explain the current listing criteria for kidney and pancreas transplantation, and the new options that increase access to organ offers.
- Counsel patients on the available options for organ matching and utilize available resources that remove disincentives to donation.
- Discuss the efficacy, safety, and anticipated outcomes for treatment therapies for HCC management, including neoadjuvant regimens, surgical resection, liver transplant, and palliative care.
- Incorporate best practice medical management of liver cirrhosis, portal hypertension and acute-on-chronic liver failure.
- Evaluate patients with severe AAH and recent heavy alcohol use for liver transplantation and apply appropriate cognitive, behavioral, and pharmacologic therapies for alcohol use disorder (AUD) patients.

EDUCATIONAL METHOD: The format will include lectures from leaders in each field, panel discussions, and case presentations led by moderators. There will be ample opportunity for questions and discussion.

COURSE DIRECTORS:
Matthew Cooper, MD
Raj Prasad, MBBS, MS, MCh, FRC

EXHIBITORS: If you would like to exhibit at the symposium, please contact Theresa Neitzel at 414-955-1829 or surgeryevents@mcw.edu. The Medical College of Wisconsin appreciates the support provided by our exhibitors.

ACCOMMODATIONS: Rooms are available at a rate of \$179/night as part of the MCW Symposium room block. Please visit the course page at ocpe.mcw.edu and navigate to the "Venue" tab for the reservation link. For assistance, please contact Lisa Stork, Event Manager, at 414-867-9164, or email surgeryevents@mcw.edu. Reservations for the room block must be made by March 22, 2024.

SPECIAL ASSISTANCE: Individuals with disabilities are encouraged to attend all Medical College of Wisconsin sponsored events. If you require special accommodations in order to attend this event, please contact Theresa Neitzel at 414-955-1829 or surgeryevents@mcw.edu.

FACULTY DISCLOSURE/DISCLAIMER: Everyone who is in a position to control the extent of educational activity must disclose all relevant financial relationships with any commercial interests. They will disclose any unlabeled use or investigational use of pharmaceutical and medical device products. Determination of educational content for this program and the selection of speakers were solely the responsibility of the planning committee. Firms providing financial support did not have input in these areas. Agendas are subject to change, as necessitated by illness and/or scheduling conflicts.

FOR MORE INFORMATION: Please contact Theresa Neitzel at surgeryevents@mcw.edu or 414-955-1829.

CONTINUING EDUCATION

ACCREDITATION STATEMENT: The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION OF CREDIT: The Medical College of Wisconsin designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

HOURS OF PARTICIPATION FOR ALLIED HEALTH PROFESSIONALS: The Medical College of Wisconsin designates this activity for up to 6.5 hours of participation for continuing education for allied health professionals.

CONTINUING NURSING EDUCATION: Froedtert & Medical College of Wisconsin is approved with distinction as a provider of nursing continuing professional development by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. 6.5 Nursing Contact Hours are available. Successful completion of the activity will require attendance at the entire activity and completion of an evaluation form.

DIETITIAN CREDIT STATEMENT: *AMA PRA Category 1 Credit(s)*[™] are accepted as continuing education units (CEU) for the North American Transplant Coordinators Organization (NATCO) Certified Clinical Transplant Dietitian (CCTD) certification, given that the topics are solid organ transplant specific. Please check the NATCO website for further details.

CONTINUING EDUCATION FOR ADVANCED PRACTICE PROVIDERS & SOCIAL WORKERS: *AMA PRA Category 1 Credits*[™] offered by an ACCME-approved organization may fulfill the requirements of continuing education hours for a number of health professionals including physician assistants, nurse practitioners, and social workers. Many societies, credentialing bodies, and state licensing boards accept the *AMA PRA Category 1 Credit*[™] for re-licensure and recertification. Please contact your licensing board prior to registering for the course if you have any questions on whether this activity will qualify.

Registration

REGISTRATION: Online registration is required to attend this symposium. CE credit can be claimed via the online platform. Please note that Google Chrome is the preferred browser.

1. Register at <https://ocpe.mcw.edu>. Select *Login* in the upper-right corner.
2. Sign into your existing account or select *Create New Non-MCW Account* to create a new account.
3. After creating your account or logging in, select **Transplant Joint Symposium: Access and Innovation in Kidney & Pancreas Transplantation & Debates and Dilemmas in Liver Disease Practice** under *Featured Courses*.
4. Select *Register* and follow the prompts. You will be asked to select one primary track (Kidney & Pancreas or Liver) during registration, however, attendees are welcome to move between sessions as desired.

DATE: Saturday, April 13, 2024 | 8:00 a.m. - 4:00 p.m.

FEES:

Fees include registration, meals, and CE certification. All registrations will be assessed a \$2.00 non-refundable processing fee.

	Registration Fee
Physician	\$75
Advanced Practice Provider	\$50
Dialysis Technician, Dietitian, Nurse, Social Worker, or other Allied Health Professional	\$25
Trainee (Fellow, Resident, or Student)	\$0

Questions?
Email surgeryevents@mcw.edu
or call 414-955-1829.

***TRAINEE REGISTRATION:** Please contact surgeryevents@mcw.edu or call Theresa Neitzel (414-955-1829) for complimentary trainee registration.

REFUND POLICY: Cancellations must be received in writing. Cancellations postmarked March 29 and earlier will be fully refunded. No refunds are available for cancellations postmarked after March 29, 2024.

Access & Innovation in Kidney & Pancreas Transplantation

This symposium features two concurrent tracks on April 13, 2024. While attendees will be asked to select a *primary track* at the time of registration, they are encouraged to move between rooms as desired. The keynote lecture, lunch, and refreshment breaks are held jointly.

7:30 AM	Registration, breakfast, exhibitor booths
7:55 AM	Welcome Remarks & Initiation <i>With comments from the Advancing a Healthier Wisconsin Endowment</i>

SESSION I Chair: Matthew Cooper, MD

8:00 AM	Basics of Transplant Listing	Deborah Cook, RN
8:30 AM	Collaboration with the Community in Transplantation	Beje Thomas, MD
9:00 AM	Understanding the Role and Value of Pancreas Transplantation	Ty Dunn, MD, MS
9:30 AM	Discussion	<i>Session I speakers</i>
10:00 AM	Refreshment Break & Exhibitions	

SESSION II Chair: Beje Thomas, MD

10:15 AM	Benefits of Living Donation and Paired Kidney Exchange	Emily Joachim, MD
11:00 AM	Keynote Address: Evolving Paradigms in Liver Transplantation for Alcohol-Associated Hepatitis	Alexandre Louvet, MD, PhD
12:00 PM	Lunch & Exhibitions	
01:00 PM	The Voice of the Patient - Living Donor Panel	Leah Betthausen, MSW Anna Gaddy, MD
01:30 PM	How to Find a Donor	Tanya Andersen, RN, BSN
02:00 PM	Refreshment Break & Exhibitions	

SESSION III Chair: Ty Dunn, MD, MS

02:15 PM	Robotic Kidney Donation and Kidney Transplant	Emre Arpali, MD, PhD
02:45 PM	The Future is Now: Kidney for Life	Matthew Cooper, MD
03:15 PM	Into the Future: The Advent of AI, Xenotransplantation, 3-D Printing, and the Artificial Kidney	Beje Thomas, MD
03:45 PM	Discussion	<i>Session III speakers</i>
04:00 PM	Closing remarks and adjourn

Debates and Dilemmas in Liver Disease Practice

This symposium features two concurrent tracks on April 13, 2024. While attendees will be asked to select a *primary track* at the time of registration, they are encouraged to move between rooms as desired. The keynote lecture, lunch, and refreshment breaks are held jointly.

7:30 AM	Registration, breakfast, exhibitor booths
7:55 AM	Welcome remarks and initiation <i>With comments from the Advancing a Healthier Wisconsin Endowment</i>

SESSION I: Debates and Dilemmas in Managing Hepatocellular Carcinoma Chair: Raj Prasad, MBBS, MS, MCh, FRCS

8:00 AM	How Should I Bridge or Downstage Hepatocellular Carcinoma for Liver Transplantation? The Case for Locoregional Interventional Therapy	William S. Rilling, MD, FSIR
8:15 AM	How Should I Bridge or Downstage Hepatocellular Carcinoma for Liver Transplantation? The Case for Systemic Therapy	Ben George, MD
8:30 AM	How Should I Bridge or Downstage Hepatocellular Carcinoma for Liver Transplantation? The Case for Radiation Therapy	William A. Hall, MD
8:45 AM	Discussion and audience Q&A with session chair	
9:00 AM	Liver Resection for HCC	Raj Prasad, MBBS, MS, MCh, FRCS
9:15 AM	Is Liver Transplantation an Option for HCC with Vascular Invasion?	Veronica Loy, DO
9:30 AM	When Treating HCC Becomes Futile	James Esteban, MD
9:45 AM	Discussion and audience Q&A with session chair	
10:00 AM	Refreshment break and exhibitions	

SESSION II: Liver Transplantation for Alcohol-Associated Hepatitis Chair: Veronica Loy, DO

10:15 AM	Simulated Transplant Selection Meeting: Discussing patients with severe alcohol-associated hepatitis and recent heavy alcohol use for liver transplantation	Panelists: Alexandre Louvet, MD, PhD Calvin Martin Eriksen, MD Kia Saeian, MD, MSc, EPI Cynthia Schulzetenberg, PA-C Stephanie C Zanowski, PhD
11:00 AM	Keynote Address: Evolving Paradigms in Liver Transplantation for Alcohol-Associated Hepatitis	Alexandre Louvet, MD, PhD
12:00 PM	Lunch and exhibitions	
1:00 PM	Behavioral and Cognitive Therapies for Alcohol Use Disorder	Allison Stephans, MSW, LCSW
1:25 PM	Pharmacotherapies for Alcohol Use Disorder in Liver Disease and Liver Transplant	Ian Steele, MD
1:50 PM	Discussion and audience Q&A with session chair	
2:00 PM	Refreshment break and exhibitions	

SESSION III: Debates and Dilemmas in the Management of Pre-Transplant Patients Chair: Phaedra Tachtatzis, MD, MRCP, MBChB

2:15 PM	Academic Debate: Assessment of Sarcopenia and Frailty in Liver Transplant Candidates: Blessing or Curse?	Mentors: James Esteban, MD Juan Pablo Trivella, MD Judges: Joohyun Kim, MD, PhD Alexandre Louvet, MD, PhD Achuthan Sourianarayanan, MD, MRCP, FOMA
3:00 PM	Managing Portal Hypertension in Pre-Transplant Patients	Phaedra Tachtatzis, MD, MRCP, MBChB
3:25 PM	Best Practices in Managing Acute Liver Failure	Terra Pearson, MD
3:50 PM	Discussion and audience Q&A with session chair	

Speakers

Keynote

Alexandre Louvet, MD, PhD, is a Professor of Hepatology at the Lille University Hospital in Lille, France. Dr. Louvet received his medical degree from the University of Lille and subsequently completed a PhD at the Mondor Institute for Biomedical Research in Créteil, France. His doctorate research focused on the role of the endocannabinoid system in alcoholic liver disease in mice. Dr. Louvet's clinical research centers on alcoholic hepatitis and its treatment, disease modeling, transplantation and pathophysiology. Dr. Louvet's clinical interests include ALD, non-alcoholic fatty liver disease, viral hepatitis, and hepatocellular carcinoma.

Alexandre Louvet, MD, PhD
Professor of Hepatology
Department of Gastroenterology
Lille University Hospital, Lille, France

Froedtert and the Medical College of Wisconsin

MEDICINE

Gastroenterology and Hepatology

James Esteban, MD
Assistant Professor of Medicine

Veronica Loy, DO
Associate Professor of Medicine
Medical Director of Liver Transplantation

Kia Saeian, MD, MSc, EPI
Konrad H. Soergel, MD and Walter J. Hogan,
MD Endowed Professor
Associate Chief, Director of Clinical Affairs

Achuthan Sourianarayanan, MD, MRCP, FOMA
Associate Professor of Medicine
Director, Fatty Liver Clinic

Phaedra Tachtatzis, MD, MRCP, MBChB
Associate Professor of Medicine

Juan Pablo Trivella, MD
Assistant Professor of Medicine

Hematology and Oncology

Ben George, MD
Professor of Medicine
William F. Stapp Endowed Chair
Medical Director, Clinical Trials Office

Nephrology

Anna Gaddy, MD
Assistant Professor of Medicine

Emily Joachim, MD
Assistant Professor of Medicine

Beje Thomas, MD
Associate Professor of Medicine
Medical Director of Kidney and Pancreas
Transplant Programs

PSYCHIATRY AND BEHAVIORAL MEDICINE

Ian Steele, MD
Assistant Professor of Medicine

RADIATION ONCOLOGY

William A. Hall, MD
Professor of Radiation Oncology and Surgery
Co-Director of Radiation Oncology, F&MCW
Clinical Cancer Center

INTERVENTIONAL RADIOLOGY

William S. Rilling, MD, FSIR
Professor of Radiology and Surgery
Vice Chair, Clinical Operations

TRANSPLANT SURGERY

Tanya Andersen, RN, BSN
Transplant Living Donor Nurse Coordinator

Emre Arpali, MD, PhD
Associate Professor of Surgery

Leah Betthausen, MSW
Transplant Social Worker

Deborah Cook, RN
Pre-Kidney Transplant Nurse Coordinator

Matthew Cooper, MD
Professor of Surgery
Chief of Transplantation
Director of Solid Organ Transplant

Ty Dunn, MD, MS
Professor of Surgery
Surgical Director of Kidney and Pancreas
Transplant Programs

Calvin Martin Eriksen, MD
Assistant Professor of Surgery

Joohyun Kim, MD, PhD
Associate Professor of Surgery

Terra Pearson, MD
Assistant Professor of Surgery
Medical Director of Transplant ICU

Raj Prasad, MBBS, MS, MCh, FRCS
Professor of Surgery
Section Chief of Liver Transplantation

Cynthia Schulzetenberg, PA-C
Transplant APP Manager

Allison Stephans, MSW, LCSW
Transplant AODA Coordinator

Stephanie C. Zanowski, PhD
Associate Professor of Surgery & Psychiatry
Director of Psychology Services, Medical
College Physicians
Director, Transplant Mental Health

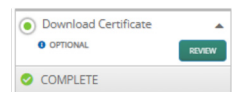

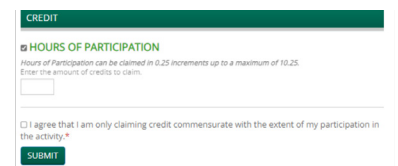

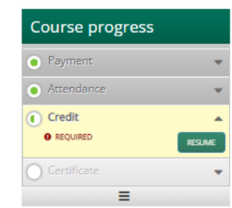

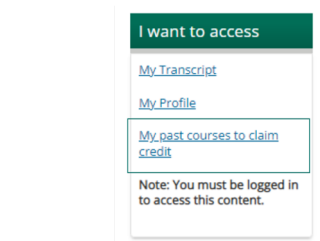

Claiming CE Credit

CLAIMING NURSE CONTACT HOURS: Nurses wishing to claim Nursing Contact Hours are required to attend the entire activity and complete and submit an evaluation form at the conclusion of the event. Please see the nurse planners at the registration table for additional information. Should you have any questions after the event, please contact Hannah Thoenes by email at hannah.thoenes@froedtert.com.

CLAIMING AMA PRA Category 1 Credits™ AND HOURS OF PARTICIPATION:

Please complete the steps below by July 13, 2024, to claim CE credit. Requests for CE credit after July 13th will be subject to a \$25 late fee.

1. Sign into your Ethos account at <https://ocpe.mcw.edu>.
2. Click on the **Home** tab. Select **My past courses to claim credit** in the left column, then select **Pending Activities**.
3. Select **Transplant Joint Symposium**.
4. Select the **Take Course** tab and click the green **Take Course** button.
5. Click through the **Course Progress** steps in the left column. The *Payment* and *Attendance* steps will be automatically completed.
6. Select **Credit** and enter your hours of participation. Attendees should only claim credit commensurate with the extent of their participation.
Please note: The Medical College of Wisconsin designates this live activity for a maximum of 6.5 *AMA PRA Category 1 Credit(s)*™.
7. Download a copy of your CME certificate for your records.
8. **Notice: American Board of Surgery (ABS) Reporting**
You must fill out the below attestation form to provide consent for MCW to report your CME credit directly to the ABS. This form must be completed annually.
Scan the QR code or visit bit.ly/2024MCW_attestation.

QUESTIONS? Email surgeryevents@mcw.edu or call 414-955-1829.

Post-Event Survey

Please take a few minutes to complete the post-event survey and share your valuable feedback. Thank you for helping to improve future events!
