Jen Makrides, MD, MA, MHS

11:45 am-Noon

Discussion, wrap up and close

### **Upon completion of this learning activity participants should be able to:**

1. Identify the ethical implications of patients' and others' open access to the electronic health record, with particular challenges pertaining to psychiatric and adolescent records.
2. Explore benefits and concerns pertaining to the patient-provider relationship in the era of open notes.
3. Assess best practices and recommendations to balance transparency, patient rights, and privacy protections in electronic health records access particularly for vulnerable populations.

### **ACCME Accreditation Statement:**

The Medical College of Wisconsin is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

### **AMA Credit Designation Statement:**

The Medical College of Wisconsin designates this live activity for a maximum of 3.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### **Hours of Participation for Allied Health Care Professionals**

The Medical College of Wisconsin designates this activity for up to 3.00 hours of participation for continuing education for allied health professionals.
