**MARCH 15, 2024 | 8:00 AM - 3:30 PM**

**BROOKFIELD CONFERENCE CENTER**

325 S MOORLAND RD  
BROOKFIELD, WI 53005

# Program Information

## GENERAL INFORMATION

The Medical College of Wisconsin 2024 Vascular Symposium will be held on March 15, 2024, at the Brookfield Conference Center, located at 325 S. Moorland Rd, Brookfield, WI, 53005.

**PARKING:** Complimentary lot parking is available at the Brookfield Conference Center. Valet parking is not available.

**TARGET AUDIENCE:** Vascular Surgeons, Cardiothoracic Surgeons, General Surgeons, Cardiologists, Nurse Practitioners, Physician Assistants, Nurses, Residents, Fellows, Allied Health Professionals who are involved in the care of patients with vascular disease.

**PURPOSE:** This educational symposium is designed to highlight a broad range of topics relating to vascular disease. It will familiarize the audience with natural history, surgical techniques, avoidance of complications and new technology.

**EDUCATIONAL OBJECTIVES:** Upon completion of the course, attendees will be able to:

- Develop a protocol for shared decision making for patients considering a carotid artery intervention.
- Develop criteria for appropriate use of lower extremity vascular interventions in their institution for patients with both claudication and chronic limb-threatening ischemia.
- Describe appropriate indications for venous intervention for both acute and chronic deep venous thrombosis.
- Create an algorithm for the contemporary management of type B aortic dissection, both complicated and uncomplicated.
- Recognize the consequences of failed EVAR and will learn the indications for a timely intervention. Current guidelines will be discussed in collaborative case reviews and panel discussions.
- Develop a protocol for appropriate long-term management (medical and surgical) of patients who survived repair of type A aortic dissection.

**EDUCATIONAL METHOD:** The format will include lectures from leaders in each field, panel discussions, and case presentations led by moderators. There will be ample opportunity for questions and discussion.

### COURSE DIRECTORS:
