

Medication Run Chart - Performance Improvement Tracker:

Enter # of patients with whom you discussed Medications and falls each week.
**** Don't leave any blanks - enter "0" if you didn't have any discussions that week.**

Follow-Up Discussion (optional): You may wish to record # of patients for whom this was a follow-up discussion re: Medications [Purple]

Median: This can be computed after you have submitted the Run Chart at the end of the project.

Enter a Goal (optional): How many patient discussions about Medications do you seek to have per week? Enter under "goal") [Blue Column]

Week	# Pt AD by Wk	Median	Goal	# Follow-Up
